# *Connecting* POINTS

50<sup>TH</sup> ANNIVERSARY  
1975-2025

*Weatherly*  
ASSEMBLY OF GOD

Welcome to our Fall 2025 semester of Connecting Points! I'm excited about the possibilities Connecting Points will bring to Weatherly this fall. I am especially looking forward to celebrating Weatherly's 50th anniversary. It is an honor to pastor a church with such a rich history of service and faithfulness.

Within these pages are names and descriptions of small groups that will meet Sept-Nov. Connecting Points is designed to connect and strengthen Weatherly's congregation and is offered twice annually, for 3-month semesters. Groups created fall within one or more of four areas: Spiritual Life, Spiritual Community, Ministries, and Outreach.

If you have completed NextConnect, you are invited to create and lead a group, or connect with a Weatherly-family friend for joint leadership.

Thank you for taking time, not only to look through this fall semester's Connecting Points, but for involving yourself and becoming a follower of Christ.

Blessings,

Pastor Nick Martinez

# Believe

Believe Connecting Points encompass worship, preaching, and teaching. The study of God's word, which gives spiritual instruction to every level of Christianity (from new believer to leadership training) and coming together to worship and pray, strengthens the spiritual life of our church family.

# Belong

Belong Connecting Points revolve around assimilation, care and fellowship. Each of us sense the need to belong, and no less when seeking a church home. We desire to extend the sense of welcome and belonging to our guests as well as church family so that each person becomes part of this spiritual community.

# Become

Become Connecting Points are part of the intentional discipleship arm which envelopes all ages through our auxiliary ministries. These groups are often divided by age and/or interest. As we learn spiritual disciplines ourselves, and then teach and inspire others to do the same, we develop mature and unwavering followers of Christ.

# Build

Build Connecting Points obey the Great Commission; we want to bring the message of the gospel beyond the walls of our church. Just like Jesus, who intentionally went out with love and compassion, we want to bring the gospel to others as well.

Do you have an idea for a Connecting Point (small group)? All of us have things we enjoy and participate in that can be used by God as tools to connect those outside the church to His family.

Connecting Points is one way of reaching our community; building bridges for them to cross so they can enter into God's plan for their lives. We encourage you to take a moment and reflect on the things you enjoy that could become a Connecting Point. If you would like to talk about it, give Pastor Nick a call at 256.883.9520. He would love to help you build your own Connecting Point.
